- Checklist #1 is for programs whose parents and families attend program events and communicate with staff periodically.
- Checklist #2 is for programs where family engagement is a core principle in the overall program development.
- Checklist #3 is for programs where parents are acting on behalf of the program and their children in after school.

Use this checklist to help celebrate ways that your program already prioritizes and incorporates family engagement and to brainstorm areas in which you'd like to strengthen your program's culture of family engagement.

Directions: Rate how often (rarely, sometimes or consistently) your program incorporates each of the strategies below. Mark "priority" for areas that you would consider incorporating into your Planning with Data goals for the year.
