Kalamazoo Youth Development Network is a 501(c)3 that serves as the intermediary of the out-of-school time (OST) sector in Kalamazoo and Calhoun Counties. KYD Network currently partners with 60 youth-serving organizations.

Vision: An anti-racist community where all youth thrive.

Mission: To ensure that all youth have agency within a well-coordinated system that supports anti-racist, high quality, and youth-driven out-of-school time programs.

You can support these efforts and the creation of resources like this by donating to KYD Network.
